A classical dictionary of Hindu mythology and religion, geography, history, and literature

Dowson John
"A knowledge of the commonplace, at least, of Oriental literature, philosophy, and religion is as necessary to the general reader of the present day as an acquaintance with the Latin and Greek classics was a generation or so ago. Immense strides have been made within the present century in these branches of learning; Sanskrit has been brought within the range of accurate philology, and its invaluable ancient literature thoroughly investigated; the language and sacred books of the Zoroastrians have been laid bare; Egyptian, Assyrian, and other records of the remote past have been deciphered, and a group of scholars speak of still more recondite Accadian and Hittite monuments; but the results of all the scholarship that has been devoted to these subjects have been almost inaccessible to the public because they were contained for the most part in learned or expensive works, or scattered throughout the numbers of scientific periodicals. Messrs. Trübner & Co., in a spirit of enterprise which does them infinite credit, have determined to supply the constantly-increasing want, and to give in a popular, or, at least, a comprehensive form, all this mass of knowledge to the world."—*Times*.

**THE INDIAN EMPIRE:**
**ITS PEOPLE, HISTORY, AND PRODUCTS.**

By the Hon. Sir W. W. Hunter, K.C.S.I., C.S.I., C.I.E., LL.D.,
Member of the Viceroy's Legislative Council,
Director-General of Statistics to the Government of India.

Being a Revised Edition, brought up to date, and incorporating the general results of the Census of 1881.

"It forms a volume of more than 700 pages, and is a marvellous combination of literary condensation and research. It gives a complete account of the Indian Empire, its history, peoples, and products, and forms the worthy outcome of seventeen years of labour with exceptional opportunities for rendering that labour fruitful. Nothing could be more lucid than Sir William Hunter's expositions of the economic and political condition of India at the present time, or more interesting than his scholarly history of the India of the past."—*The Times.*

ESSAYS ON THE SACRED LANGUAGE, WRITINGS, AND RELIGION OF THE PARSIS.

By MARTIN HAUG, Ph.D.,
Late of the Universities of Tubingen, Göttingen, and Bonn; Superintendent of Sanskrit Studies, and Professor of Sanskrit in the Poona College.

EDITED AND ENLARGED BY DR. E. W. WEST.

To which is added a Biographical Memoir of the late Dr. Haug by Prof. E. P. Evans.

I. History of the Researches into the Sacred Writings and Religion of the Parsis, from the Earliest Times down to the Present.
II. Languages of the Parsi Scriptures.
III. The Zend-Avesta, or the Scripture of the Parsis.
IV. The Zoroastrian Religion, as to its Origin and Development.

"'Essays on the Sacred Language, Writings, and Religion of the Parsis,' by the late Dr. Martin Haug, edited by Dr. E. W. West. The author intended, on his return from India, to work the materials contained in this work into a comprehensive account of the Zoroastrian religion, but the design was frustrated by his untimely death. We have, however, in a concise and readable form, a history of the researches into the sacred writings and religion of the Parsis from the earliest times down to the present—a dissertation on the languages of the Parsi Scriptures, a translation of the Zend-Avesta, or the Scripture of the Parsis, and a dissertation on the Zoroastrian religion, with especial reference to its origin and development."—Times.

TEXTS FROM THE BUDDHIST CANON COMMONLY KNOWN AS "DHAMMAPADA."

With Accompanying Narratives.

Translated from the Chinese by S. BEAL, B.A., Professor of Chinese, University College, London.

The Dhammapada, as hitherto known by the Pali Text Edition, as edited by Fausboll, by Max Müller's English, and Albrecht Weber's German translations, consists only of twenty-six chapters or sections, whilst the Chinese version, or rather recension, as now translated by Mr. Beal, consists of thirty-nine sections. The students of Pali who possess Fausboll's text, or either of the above named translations, will therefore need want Mr. Beal's English rendering of the Chinese version; the thirteen above-named additional sections not being accessible to them in any other form; for, even if they understand Chinese, the Chinese original would be unobtainable by them.

"Mr. Beal's rendering of the Chinese translation is a most valuable aid to the critical study of the work. It contains authentic texts gathered from ancient canonical books, and generally connected with some incident in the history of Buddha. Their great interest, however, consists in the light which they throw upon everyday life in India at the remote period at which they were written, and upon the method of teaching adopted by the founder of the religion. The method employed was principally parable, and the simplicity of the tales and the excellence of the morals inculcated, as well as the strange hold which they have retained upon the minds of millions of people, make them a very remarkable study."—Times.

"Mr. Beal, by making it accessible in an English dress, has added to the great services he has already rendered to the comparative study of religious history."—Academy.

"Valuable as exhibiting the doctrine of the Buddhists in its purest, least adulterated form, it brings the modern reader face to face with that simple creed and rule of conduct which won its way over the minds of myriads, and which is now nominally professed by 145 millions, who have overlaid its austere simplicity with innumerable ceremonies, forgotten its maxims, perverted its teaching, and so inverted its leading principle that a religion whose founder denied a God, now worships that founder as a god himself."—Sedman.

THE HISTORY OF INDIAN LITERATURE.

BY ALBRECHT WEBER.

Translated from the Second German Edition by JOHN MANN, M.A., and THÉODOR ZACHARIAE, Ph.D., with the sanction of the Author.

Dr. Buhler, Inspector of Schools in India, writes:—“When I was Professor of Oriental Languages in Elphinstone College, I frequently felt the want of such a work to which I could refer the students.”

Professor Cowell, of Cambridge, writes:—“It will be especially useful to the students in our Indian colleges and universities. I used to long for such a book when I was teaching in Calcutta. Hindu students are intensely interested in the history of Sanskrit literature, and this volume will supply them with all they want on the subject.”

Professor Whitney, Yale College, Newhaven, Conn., U.S.A., writes:—“I was one of the class to whom the work was originally given in the form of academic lectures. At their first appearance they were by far the most learned and able treatment of their subject; and with their recent additions they still maintain decidedly the same rank.”

“The most comprehensive and lucid survey of Sanskrit literature extant. The essays contained in the volume were originally delivered as academic lectures, and at the time of their first publication were acknowledged to be by far the most learned and able treatment of the subject. They have now been brought up to date by the addition of all the most important results of recent research.”—Times.

A SKETCH OF THE MODERN LANGUAGES OF THE EAST INDIES.

BY ROBERT N. CUST.

The Author has attempted to fill up a vacuum, the inconvenience of which pressed itself on his notice. Much had been written about the languages of the East Indies, but the extent of our present knowledge had not even been brought to a focus. It occurred to him that it might be of use to others to publish in an arranged form the notes which he had collected for his own edification.

“Supplies a deficiency which has long been felt.”—Times.

“The book before us is then a valuable contribution to philological science. It passes under review a vast number of languages, and it gives, or professes to give, in every case the sum and substance of the opinions and judgments of the best-informed writers.”—Saturday Review.

Second Corrected Edition, post 8vo, pp. xii.—116, cloth, price 5s.

THE BIRTH OF THE WAR-GOD.

A Poem. BY KALIDASA.

Translated from the Sanskrit into English Verse by RALPH T. H. GRIFFITH, M.A.

“A very spirited rendering of the Kusāṇa-mādhava, which was first published twenty-six years ago, and which we are glad to see made once more accessible.”—Times.

“Mr. Griffith’s very spirited rendering is well known to most who are at all interested in Indian literature, or enjoy the tenderness of feeling and rich creative imagination of its author.”—Indian Antiquary.

“We are very glad to welcome a second edition of Professor Griffith’s admirable translation. Few translations deserve a second edition better.”—Athenæum.

A CLASSICAL DICTIONARY OF HINDU MYTHOLOGY AND RELIGION, GEOGRAPHY, HISTORY, AND LITERATURE.

By JOHN DOWSON, M.R.A.S.,
Late Professor of Hindustani, Staff College.

"This not only forms an indispensable book of reference to students of Indian literature, but is also of great general interest, as it gives in a concise and easily accessible form all that need be known about the personages of Hindu mythology whose names are so familiar, but of whom so little is known outside the limited circle of students."—Times.

"It is no slight gain when such subjects are treated fairly and fully in a moderate space; and we need only add that the few wants which we may hope to see supplied in new editions detract but little from the general excellence of Mr. Dowson's work."

SELECTIONS FROM THE KORAN.

STANLEY LANE POOLE.

"... Has been long esteemed in this country as the compilation of one of the greatest Arabic scholars of the time, the late Mr. Lane, the well-known translator of the 'Arabian Nights.'... The present editor has enhanced the value of his relative's work by divesting the text of a great deal of extraneous matter introduced by way of comment, and prefixing an introduction."—Times.

"Mr. Poole is both a generous and a learned biographer... Mr. Poole tells us the facts... so far as it is possible for industry and criticism to ascertain them, and for literary skill to present them in a condensed and readable form."—Englishman, Calcutta.

MODERN INDIA AND THE INDIANS,
BEING A SERIES OF IMPRESSIONS, NOTES, AND ESSAYS.

By MONIER WILLIAMS, D.C.L.,
Hon. LL.D. of the University of Calcutta, Hon. Member of the Bombay Asiatic Society, Boden Professor of Sanskrit in the University of Oxford.

Third Edition, revised and augmented by considerable Additions, with Illustrations and a Map.

"In this volume we have the thoughtful impressions of a thoughtful man on some of the most important questions connected with our Indian Empire... An enlightened observer, travelling among an enlightened observer people, Professor Monier Williams has brought before the public in a pleasant form more of the manners and customs of the Queen's Indian subjects than we ever remember to have seen in any one work. He not only deserves the thanks of every Englishman for this able contribution to the study of Modern India—a subject with which we should be specially familiar—but he deserves the thanks of every Indian, Parsee or Hindu, Buddhist and Moslem, for his clear exposition of their manners, their creeds, and their necessities."—Times.

BUDDHIST BIRTH STORIES; or, Jataka Tales.
The Oldest Collection of Folk-lore Extant: BEING THE JATAKATHAVANNANA, For the first time Edited in the original Pāli.
By V. FAUSBOLL;
And Translated by T. W. RHYS DAVIDS.
Translation. Volume I.

"These are tales supposed to have been told by the Buddha of what he had seen and heard in his previous births. They are probably the nearest representatives of the original Aryan stories from which sprang the folk-lore of Europe as well as India. The introduction contains a most interesting disquisition on the migrations of these fables, tracing their reappearance in the various groups of folk-lore legends. Among other old friends, we meet with a version of the Judgment of Solomon."—Times.

"It is now some years since Mr. Rhys Davids asserted his right to be heard on this subject by his able article on Buddhism in the new edition of the 'Encyclopædia Britannica.'"—Leeds Mercury.

"All who are interested in Buddhist literature ought to feel deeply indebted to Mr. Rhys Davids. His well-established reputation as a Pali scholar is a sufficient guarantee for the fidelity of his version, and the style of his translations is deserving of high praise."—Academy.

"No more competent expositor of Buddhism could be found than Mr. Rhys Davids. In the Jātaka book we have, then, a priceless record of the earliest imaginative literature of our race; and . . . it presents to us a nearly complete picture of the social life and customs and popular beliefs of the common people of Aryan tribes, closely related to ourselves, just as they were passing through the first stages of civilisation."—St. James's Gazette.

Post 8vo, pp. xxviii. — 362, cloth, price 14s.

A TALMUDIC MISCELLANY;
Or, A THOUSAND AND ONE EXTRACTS FROM THE TALMUD, THE MIDRASHIM, AND THE KABBALAH.
Compiled and Translated by PAUL ISAAC HERSHON, Author of "Genesis According to the Talmud," &c.

With Notes and Copious Indexes.

"To obtain in so concise and handy a form as this volume a general idea of the Talmud is a boon to Christians at least."—Times.

"Its peculiar and popular character will make it attractive to general readers. Mr. Hershon is a very competent scholar. . . . Contains samples of the good, bad, and indifferent, and especially extracts that throw light upon the Scriptures."—British Quarterly Review.

"Will convey to English readers a more complete and truthful notion of the Talmud than any other work that has yet appeared."—Daily News.

"Without overlooking in the slightest the several attractions of the previous volumes of the 'Oriental Series' we have no hesitation in saying that this surpasses them all in interest."—Edinburgh Daily Review.

"Mr. Hershon has . . . thus given English readers what is, we believe, a fair set of specimens which they can test for themselves."—The Record.

"This book is by far the best fitted in the present state of knowledge to enable the general reader to gain a fair and unbiased conception of the multifarious contents of the wonderful miscellany which can only be truly understood—so Jewish pride asserts—by the life-long devotion of scholars of the Chosen People."—Inquirer.

"The value and importance of this volume consist in the fact that scarcely a single extract is given in its pages but throws some light, direct or refracted, upon those Scriptures which are the common heritage of Jew and Christian alike."—John Bull.

"It is a capital specimen of Hebrew scholarship; a monument of learned, loving, light-giving labour."—Jewish Herald.
Post 8vo, pp. xii.—228, cloth, price 7s. 6d.

THE CLASSICAL POETRY OF THE JAPANESE.

By BASIL HALL CHAMBERLAIN,
Author of "Yeigo Heikaku Shiran."

"A very curious volume. The author has manifestly devoted much labour to the task of studying the poetical literature of the Japanese, and rendering characteristic specimens into English verse."—Daily News.

"Mr. Chamberlain’s volume is, so far as we are aware, the first attempt which has been made to interpret the literature of the Japanese to the Western world. It is to the classical poetry of Old Japan that we must turn for indigenous Japanese thought, and in the volume before us we have a selection from that poetry rendered into graceful English verse."—Tablet.

"It is undoubtedly one of the best translations of lyric literature which has appeared during the close of the last year."—Celestial Empire.

"Mr. Chamberlain set himself a difficult task when he undertook to reproduce Japanese poetry in an English form. But he has evidently laboured con amore, and his efforts are successful to a degree."—London and China Express.

Post 8vo, pp. xii.—164, cloth, price 10s. 6d.

THE HISTORY OF ESARHADDON (Son of Sennacherib),
KING OF ASSYRIA, B.C. 681-668.

Translated from the Cuneiform Inscriptions upon Cylinders and Tablets in the British Museum Collection; together with a Grammatical Analysis of each Word, Explanations of the Ideographs by Extracts from the Bi-Lingual Syllabaries, and List of Eponyms, &c.

By ERNEST A. BUDGE, B.A., M.R.A.S.,
Assyrian Exhibitioner, Christ’s College, Cambridge.

"Students of scriptural archeology will also appreciate the ‘History of Esarhaddon.’"—Times.

"There is much to attract the scholar in this volume. It does not pretend to popularise studies which are yet in their infancy. Its primary object is to translate, but it does not assume to be more than tentative, and it offers both to the professed Assyriologist and to the ordinary non-Assyriological Semitic scholar the means of controlling its results."—Academy.

"Mr. Budge’s book is, of course, mainly addressed to Assyrian scholars and students. They are not, it is to be feared, a very numerous class. But the more thanks are due to him on that account for the way in which he has acquitted himself in his laborious task."—Tablet.
