GENEROUS APPRECIATION OF

ART AND LITERATURE
Note

This volume is based upon manuscripts collected by the late Mr. Walter Lloyd Jeffries, and now in the possession of his brother, William A. Jeffries, who gave me unrestricted access to them. Of the thirteen lists and documents in the Appendices all are drawn from the Jeffries papers except the inventory of the Grocer books and the inventory of the Perry estate. I am deeply appreciative of the privilege to make so generous a use of papers, unique in quantity and in quality, which afford such unquestioned evidence of the reading of our ancestors.
