Operative Surgery On the Cadaver

Garmany Jasper Jewett
Title: Operative Surgery On the Cadaver

Author: Garmany Jasper Jewett

This is an exact replica of a book. The book reprint was manually improved by a team of professionals, as opposed to automatic/OCR processes used by some companies. However, the book may still have imperfections such as missing pages, poor pictures, errant marks, etc. that were a part of the original text. We appreciate your understanding of the imperfections which can not be improved, and hope you will enjoy reading this book.
OPERATIVE SURGERY

ON THE CADAVER

IN MEMORIAM.

TO MY PRECEPTOR,

Professor James R. Wood, M.D., LL.D.,

IN RECOGNITION OF

His acts of kindness during my three years' pupilage,

And while intern of Bellevue Hospital,

This volume is reverently dedicated

By the Author.
PREFACE.

It is my endeavor to present a guide to the manipulative procedures of the ordinary surgical operations.

Acknowledgment of indebtedness is chiefly due to Stephen Smith's "Operative Surgery."

New York City, September, 1887.
