## CONTENTS

I. Statistical Report on the Treatment of Subclavian Aneurism. By **Alfred Poland**  
   Page 1

II. On Retro-peritoneal Hernia. By **P. H. Pye-Smith**, M.D.  
   Page 131

III. On Left-Handedness. By **P. H. Pye-Smith**, M.D.  
   Page 141

IV. Notes of Abnormalities observed in the Dissecting Room during the Winter Sessions of 1868-9 and 1869-70. By **P. H. Pye-Smith**, M.D., **H. G. Howse**, M.S., and **J. N. C. Davies-Colley**, M.C.  
   Page 147

V. Some Observations on an Outbreak of Diphtheria in the Obstetric Wards. By **J. Braxton Hicks**, M.D., F.R.S.  
   Page 165

VI. On some Cases of General Paralysis, with a few Remarks on Nerve Pathology. By **Samuel Wilks**, M.D., F.R.S.  
   Page 171

VII. Adherent Pericardium as a Cause of Cardiac Disease. By **Samuel Wilks**, M.D., F.R.S.  
   Page 196

VIII. Note on the History of Valvular Diseases of the Heart. By **Samuel Wilks**, M.D., F.R.S.  
   Page 209

IX. On Syphilitic Disease of the Spinal Cord. By **W. Moxon**, M.D.  
   Page 217

X. On the Treatment of Perforations of the Membrana Tympani. By **James Hinton**  
   Page 241

XI. On the Murmurs attendant upon Mitral Contraction. By **C. Hilton Fagg**, M.D.  
   Page 247

XII. Cases of Puerperal Convulsions treated without Bleeding. By **J. J. Phillips**, M.D.  
   Page 343

XIII. Clinical Records. By **J. Cooper Forster**  
   Page 361

XIV. On some Obscure Forms of Abdominal Disease. By **S. O. Habershon**, M.D.  
   Page 389

XV. On the Relation between Chemical Decomposition and Nutrition. By **James Hinton**  
   Page 425
Contents.

XVI. On the Nature of Atheroma in the Arteries, with a Description of a Remarkable Case of Arteritis. By W. Moxon, M.D. 431

XVIII. A Description of the Appearances of the Human Eye in Health and Disease as seen by the Ophthalmoscope. Fifth Series—Syphilis. By C. Baker 463

XIX. Miscellaneous Surgical Cases.—Cancer of the Femur; Fibro-cellular Growth in the Thigh; Enchondromatous Tumour of the Thigh; Exostosis of the Femur; Thyroidal Tumour of the Neck; Hydrocele simulating Haematocoele; Cystic Myxoma of the Testicle. By Alfred Poland 469

XX. A Case of Exostosis of the Frontal Bone, growing into the Cranium. By John Birkett 503

XXI. A Case of Immobility and Deformity of the Lower Jaw, resulting from Sloughing of the Cheek after Fever; Remedied by Operation. By Arthur E. Durham 521

XXII. Statistical Account of the Patients treated in Guy's Hospital during 1869. By J. C. Steele, M.D. 533

List of Pupils who have passed the several Medical Examining Boards 577

List of Prizemen and Medallists 582

List of Pupils who have received Appointments at Guy's Hospital 583
LIST OF PLATES.

Dr. Pye-Smith.

Plate, Illustrating Dr. Pye-Smith's Case of Retroperitoneal Hernia . . . 140

Dr. Pye-Smith, Mr. Howse, and Mr. Davies-Colley.

Plate, Illustrating an Abnormal Muscle . . . . 184

Dr. Moxon.

Plate, Illustrating Dr. Moxon's Case of Syphilitic Disease of the Spinal Cord . . . 240

Dr. Moxon.

Plate, Illustrating Dr. Moxon's Case of Atheromatous Inflammation of the Aorta . . . 454

Dr. Phillips and Mr. Dalton.

Plates I and II, Illustrating Dr. Phillips' Case of a Two-headed Monster, and Mr. Dalton's account of its Anatomy . . . 462

Mr. Bader.

Chromo-Lithographs I and II, Illustrating the Ophthalmoscopic Appearances in Syphilis . . . 468

Mr. Birkett.

Plates I, II, and III; Illustrating Mr. Birkett's Case of Exostosis of the Frontal Bone, growing into the Cranial Cavity . . . 518, 520

Mr. Durham.

Plate, Illustrating Mr. Durham's Case of Deformity of the Lower Jaw, from Sloughing after Fever, before and after Operation; remedied by Operation . . . 532
LIST OF WOODCUTS, &c.

Dr. FAGGE.
Fifteen figures, Illustrating Variations in the Cardiac
Sounds and Rhythm . . 248—329
Three figures, Illustrating Sphygmographic Tracings 335, 336

Mr. POLAND.
Two figures, Illustrating Mr. Poland’s Cases of Thyroidal
Tumour . . 490, 493

Mr. DURHAM.
Figure, Illustrating Mr. Durham’s Case of Deformity of
the Lower Jaw, from Sloughing after Fever . 524
LIST OF SUBSCRIBERS.

Aberdeen Medico-Chirurgical Society, per R. Beveridge, Esq., M.B.,
36, King Street, Aberdeen
Abbott, George, Spa Gardens, Leicester
Adam, Mercer, M.D., Boston, Lincolnshire
Adams, Matthew A., Ashford Road, Maidstone
Aikin, Charles A., 7, Clifton Place, Sussex Square, W.
Aikins, M. H., M.D., Toronto, Canada West
Alcock, Thomas, M.D., Oakfield, Ashton-upon-Mersey, Manchester
Aldersey, William Hugh, Hayling, Havant, Hants.
Allbutt, T. Clifford, M.A., M.D., 38, Park Square, Leeds
Alston, William E. (per Mr. Maesr. Olliver and Brown, Sackville Street, Piccadilly)
Andrews, Richard J., the Dispensary, Norwich
Armstrong, W. B., M.D., 15, Chapel Street, Preston, Lancashire
Ashby, Alfred, Guy's Hospital
Ashton, T. M., M.D., The Cottage, Burscough, Ormskirk, Lancashire
Aspland, Alfred, Dukinfield, near Ashton-under-Lyne
Atkins, F. D., Guy's Hospital
Atwell, Gregory H., Church Street, Altrincham, Cheshire
Audwall, John, Tintern, Chepstow

Babbage, William, 213, New Kent Road, S.E.
Bacon, George Mackenzie, M.D., Asylum, Fulbourne, Cambridge
Bader, C., 10, Finsbury Circus
Baines, A. H., Stoneygate, Leicester (Colney Hatch Asylum)
Baird, Andrew W., M.D., 7, Camden Crescent, Dover
Bainton, James, Southernhay, Exeter
Ball, J. A., M.B., Heaton-Norris, Stockport
Barrett, J. W., King's Lynn
Barrett, S. B. C., Pewsey, Wilts
Barron, Edward Enfield, M.D., 12, Southwark Street, S.E.
Bartlett, John, Kent House, Lordship Park, Stoke Newington
Bealey, Adam, M.D., Harrogate
Beardale, Amos, Bay Villa, Grange-over-Sands, Lancashire
Beaumont, John M., Foochow, China
Beddard, James, M.B., Park Row, Nottingham
Beeby, Walter T., M.D., Bromley, Kent
Belfast Medical Society (through Mr. Greer, Bookseller, Belfast)
Bell, Thomas, F.R.S., The Wakes, Selborne, Hants
