A history of electric telegraphy, to the year 1837

Fahie J J
Title: A history of electric telegraphy, to the year 1837

Author: Fahie J J

This is an exact replica of a book. The book reprint was manually improved by a team of professionals, as opposed to automatic/OCR processes used by some companies. However, the book may still have imperfections such as missing pages, poor pictures, errant marks, etc. that were a part of the original text. We appreciate your understanding of the imperfections which can not be improved, and hope you will enjoy reading this book.
