PREFACE

THIS monograph has been reviewed and many valuable changes and additions have been incorporated in it by Mr. James F. Clinnin, C.P.A., who is in fact practically a co-author.

The originals of all record forms used for illustration are the work of Mr. Thomas Svack, Assistant Instructor of Mechanical Drawing in the Saunders Trades School, Yonkers, New York.

Grateful appreciation is expressed to Dean Herman Schneider of the University of Cincinnati, to Mr. Wesley O'Leary, Director of Essex County Vocational Schools, New Jersey, and to several others who have read the manuscript and have made valuable suggestions.

JOSEPH J. EATON
