**This is an exact replica of a book. The book reprint was manually improved by a team of professionals, as opposed to automatic/OCR processes used by some companies. However, the book may still have imperfections such as missing pages, poor pictures, errant marks, etc. that were a part of the original text. We appreciate your understanding of the imperfections which can not be improved, and hope you will enjoy reading this book.**

## PREFACE.

I AM indebted to the publishers of *The Philosophical Review* and *The Popular Science Monthly* for the kind permission to reprint two articles which first appeared in those periodicals and now, with only slight changes, constitute the third and seventh chapters of this book.
