INTRODUCTORY NOTE.

A number of the stories in this little book have been told to thousands of children in the kindergartens of Boston, Brooklyn, Philadelphia, Washington, Baltimore, Pittsburg, and other cities. The delight with which they have everywhere been listened to is an assurance of their appeal to child thought and sympathy. I know no equally simple, varied, and interesting collection of stories for children between the ages of four and six; and I earnestly hope that A KINDERGARTEN STORY BOOK may rapidly win the popularity it merits.
