Hunter Joseph Rufus

Title: The relation of the anilides of orthosulphobenzoic acid ..

Author: Hunter Joseph Rufus

This is an exact replica of a book. The book reprint was manually improved by a team of professionals, as opposed to automatic/OCR processes used by some companies. However, the book may still have imperfections such as missing pages, poor pictures, errant marks, etc. that were a part of the original text. We appreciate your understanding of the imperfections which can not be improved, and hope you will enjoy reading this book.

OF
ORTHOSULPHOBENZOIC ACID.

Dissertation

Submitted to the Board of University Studies of the
Johns Hopkins University for the Degree
of Doctor of Philosophy

by

JOSEPH RUFUS HUNTER.

1895.

CONTENTS.

I.	Introduction.	1
II.	Preparation of Material.	6
III.	The Action of Water on the Mixed Chlorides	7
IV	The Action of Aniline on the Mixed Chlorides	8
	Preparation of the Anilides	10
V.	The Action of Phosphorus Oxychloride	12
	1. On the Infusible Anilide	12
	2. On the Fusible Anilide	14
VI.	The Action of Phosphorus Pentoxide	
	1. On the Infusible Anilide	15
	2. On the Fusible Anilide	16
	3. Structure of (o)-Sulphobenzodiamil	17
	4. Chem. Properties of (o)-Sulphobenzodiamil	19
	(a) Towards Acetic Acid	19
	(b) Towards Potassium Hydroxide	20
	(c) Towards Hydrochloric Acid	21
VII.	The Action of Phosphorus Pentachloride on Infus.Anil.	22
VIII.	The Action of Benzoyl Chloride on the Infus. Anilide	23
IX.	Conclusion	26
	Biographical	28

ACKNOWLEDGMENT.

The investigation described in the following pages was undertaken at the suggestion of Professor Ira Remsen, and carried on under his constant supervision. I gladly avail myself of this opportunity to express to him, as well as to Professor H. N. Morse, my sincere gratitude for the assistance they have freely rendered me during its progress.
