
Stories and story-telling

Keyes Angela M

Title: Stories and story-telling

Author: Keyes Angela M

This is an exact replica of a book. The book reprint was manually improved by a team of professionals, as opposed to automatic/OCR processes used by some companies. However, the book may still have imperfections such as missing pages, poor pictures, errant marks, etc. that were a part of the original text. We appreciate your understanding of the imperfections which can not be improved, and hope you will enjoy reading this book.

ALL the stories in this book have been tested with children. Favorites easily available in other collections have been omitted.

The seventy-five or more very short stories, intended to help young children to express their observations, experiences, and fancies, have been included at the request of many teachers.

The writer hopes that by providing the busy teacher with "tellable" stories, she may help to win for story-telling the dignity of established scholastic place.

APRIL, 1911
