Title: A Manual of Greek Antiquities

Author: Gardner Percy

This is an exact replica of a book. The book reprint was manually improved by a team of professionals, as opposed to automatic/OCR processes used by some companies. However, the book may still have imperfections such as missing pages, poor pictures, errant marks, etc. that were a part of the original text. We appreciate your understanding of the imperfections which can not be improved, and hope you will enjoy reading this book.

PREFACE TO THE SECOND EDITION

The second edition is a reprint of the first; but a considerable number of corrections have been inserted in the text, and a few addenda are printed at the end.

The authors owe most of these improvements to the suggestions of critics in English and Continental Reviews, all of which they have carefully considered.

March, 1898.
