Bring the rather primrose, the white pinks and the glowing violet, the moss-ross and the colly lips then the and every flower that the daffadillies fill the and Amaranthus all to show.
That unwept dying
because of unrijoy'd love
the storm
is on the verdant graven
cold weeps in being
Pamphile fixed on jet
hank his pensive head
rows his eyes in weary
him cups with tears
beautiful shed

Hat forsaken
all gemmato
dissolved with jet
fretful with grief
awkwardly probbing
hang the passive head
and escutcheon
imbroiding cups with tears
beautiful shed
